TO MANUFACTURERS.

The Street Department this year intends to use a good many stone chips on the streets. The Street Commissioner would ask the manufacturers to separate their chips, the large from the small, so that no delay will be caused in loading teams. By doing this they will greatly assist the department and at the same time will get the chips out of their way. (Signed) H. E. CUTLER, F. H. BURKE, B. ALBISSETTI, Street Committee.

WARNING.

The legal voters of the City of Barre, Vermont, are hereby notified and warned to meet on Friday, April 13th, 1906, at 7:30 P. M., in the Opera House, City Hall Building, in said City of Barre, for the purpose of acting on the following articles:

First—To elect a moderator to preside at said meeting.

Second—To see what salary the City will pay the Mayor, Aldermen, City Clerk and Treasurer, Auditors and the Assessors, for their services the ensuing year.

Third—To see if the City will vote to raise a special tax to make up the deficiency in the Aldrich fund necessary to build the proposed Aldrich Public Library Building in the City of Barre, of Barre Granite instead of brick trimmed with Barre Granite; and if so, how much? Fourth—To do any other proper business that may be introduced.

Dated this 1st day of March A. D. 1906. WILLIAM BARCLAY, Mayor.

NOTICE

The Session of Laws of 1904 provide that the man who has not paid his taxes cannot vote in City Meetings. Another section also provides that the voter who does not, in the year of the Biennial Election, when giving in his inventory for taxes, sign a list with which he declares he desires to be affiliated cannot take part in any political caucus. The General Statutes require each taxpayer on the first day of April, in each year, or as soon thereafter as may be, to procure and fill out an inventory of his taxable property. To enable all taxpayers to comply with this law with the least trouble and inconvenience, the City of Barre, by City Hall will be open every week day and evening from 9 A. M. to 9 P. M. during the month of April. Remember that you will facilitate the work of the Assessors by giving this matter your earliest possible attention. It may be the Assessors' work to make the Grand List correct as possible, but the man who neglects returning his inventory until the eleventh hour, is careless and indifferent as to the manner in which it is made out, does all that he can to make such a result impossible.

AVVISO.

Le leggi della sessione 1904 provvede che l'uomo che non ha pagato le sue tasse non può votare per le elezioni municipali. Un altro articolo provvede che il votante che non ha, nell'anno della elezione Biennale, quando consegna il suo inventario per le tasse, dichiarato con qual Gli Statuti generali richiedevano che ciascun residente pagante tasse al 1° giorno d'Aprile (di ogni anno, o prima o dopo) la sua proprietà, e che egli si affilia a una delle società politiche. Le leggi statutarie richiedono che ogni contribuente, il primo giorno d'Aprile, in ogni anno, o presto dopo, procuri e compili un inventario della sua proprietà tassabile. Per permettere a tutti i contribuenti di conformarsi a questa legge, con il minimo di disturbo, la Città di Barre, per mezzo della Città Hall, sarà aperta ogni giorno e ogni sera, dalle 9 del mattino alle 9 della sera durante il mese di Aprile. Ricordate che voi faciliterete il lavoro degli assessori compilando il Grand List nel modo più corretto, ma l'uomo che trascura di consegnare il suo inventario fino all'ultimo ora, è negligente e indifferente alla maniera in cui questo lavoro corretto sia reso impossibile.

F. L. PAGE, Assessors. H. W. SCOTT, MARTIN RILEY

GREEN MOUNTAIN BRAND HAMS

There are still a few people in Barre who are so unfortunate as not to have tried our famous Green Mountain Brand Hams. To those we would say the people who have tried our Hams would no more think of having any other than they would think of throwing themselves in front of a railroad train. "Why is it that people like our Hams," do you say? It is simply because they are cut from native pigs; they are pickled just exactly right and they are smoked neither too long a time nor too short a time.

The Well Dressed Man

Demands above all else that his Clothes be individual in cut—distinctive—uncommon—aglow with an indefinable "air" of good form. The great "KORN" CLOTHING CO., which we represent, runs as systematically as a high clock and leaves nothing to chance or guesswork, every little detail in good clothes making is taken advantage of by them, and it is the "little things" upon which style and fit depend for their expression.

A new season is around the corner and new Clothes will be uppermost in every man's mind. Let us show you our Spring line of "Korn Made" Clothes, more beautiful this Spring than ever. Suits or Overcoats for Spring from \$5.00 to \$20.00. "Everything Men and Boys wear."
